Hay Vets Healthy Pet Club

Budget monthly for your pet's health

Welcome

Whether you are a new or an existing client, thank you for choosing **Hay Veterinary Group**. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to providing high-quality veterinary medicine at sensible prices but we recognise that year-round health care for your pet can be expensive. To enable you to spread the cost of routine treatment, we have designed our own practice membership scheme – **Hay Vets Healthy Pet Club**.

Prevention is better than cure!

- Our healthy pet club helps you plan to keep your pet fit and healthy.
- Twice yearly visits with a full health check give us the opportunity to monitor your pet's general health carefully and to offer advice, support and treatment planning. In many cases this could prevent problems arising in the future.
- In addition we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments.
- The cost of maintaining the good general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.
- All members qualify for additional discounts on other selected items.
- Pets in the **Hay Vets Healthy Pet Club** can be covered for Accidental Injury. This valuable option is available for only a small additional charge per pet, per month.
